ABOUT US

Exfatter has over 10 years of technical design and manufacturing experience working alongside independent brands and e-commerce retailers.

We produce a wide array of knit and woven apparel, including garments for babies, men's & women's, active & sports wear, underwear, and fashion.

Our advantage is we handle the whole supply chain process from design & development, sourcing for fabrics and trims, samples, bulk apparel production, packaging, and quality control assessments to arranging delivery of the products. An unwavering commitment to quality and sustainability.

We believe in a world where anyone who has a creative idea and an internet connection, can start their label with us.

We have helped countless brands and retailers to develop, source, and manufacture their products in a socially responsible and environmentally sustainable manner. And provides our brand partners with the speed and flexibility needed to meet the evolving needs of today's fast-changing marketplace.

We lead by example through.

MISSION：

We adhere to manufacturing our products in a sustainable manner.

VISION：

We strive to be a dependable and reliable technical design, development, and manufacturing company.

VALUE：

- Honesty and Integrity
- Accountability
- Passionate Innovators
- Fulfilling Careers
